

Dominion Builders Secures Renovation Contract for The Pankey Institute

Dominion Builders is pleased to announce that it was awarded a \$1.5 million contract to renovate The Pankey Institute, a non-profit educational organization, located at 1 Crandon Boulevard in Key Biscayne, dedicated to providing continuing education to practicing dental professionals.

“Dominion Builders is pleased to be a part of this project as the enhancements to this facility will allow The Pankey Institute to continue offering the latest advanced dental education and housing to practicing professionals worldwide,” said Mark

Gemignani, president of Dominion Builders. “It’s a pleasure that they trusted our firm to execute the transformation.”

The renovation of the three-story facility includes a complete revamp of the second floor, which consists of a conference center, dental training facility, laboratory and x-ray areas. The dedicated third floor will be built-out to include 21 private hospitality base rooms for visiting dental trainees. The renovation is slated for completion in February 2018.

About Dominion Builders

Dominion Builders is a privately owned, commercial general contractor licensed in multiple states. The Coral Gables, Florida, based corporate headquarters draws on more than 40 years of extensive experience in the construction arena.
